February & March 2024

The Monthly Chronicle

Digital Presentation

Public speaking is an invaluable skill and digital presentation can lay the groundwork for developing these skills. Sanskriti Kids organized the Digital presentation for students of grade 1 to 5, with the aim of honing the skills of communication and presentation. It was organized on 10th February 2024 during the school hours. Class wise presentations were held and all the students were divided into groups, subject wise. It was an amazing experience to watch the students present and elaborate on their topics, presenting their learning before their parents. Parents were overwhelmed to hear their kids speak in front of a huge audience and share their views confidently. The same spirit was exhibited by the students and teachers alike, in preparing and presenting the learning experiences before the parents. We thank our management for providing such an opportunity.

Helen-O-Grady

Theatre and drama help in developing the confidence and in overcoming stage fear. At Sanskriti Kids, all the students attend the drama classes conducted by Helen O Grady International as part of the curriculum. Culminating the year round learning of art, drama and expression, Heleno Grady International put forth the finale presentation on 17th February 2024 at the Sanskriti Kids school. It was a class wise presentation, displaying their artistic skills of students in front of their parents and friends. Kids performed the drama with gait and composure astonishing the audience with their spectacular performance. The school strives to provide myriad opportunities for kids to develop to their fullest.

KIDS CARNIVAL

The Kids carnival of pre- primary Kids was an amazing display of the learning experiences of the little ones. With the aim of fostering confidence and communication skills among the children, The preprimary department presented the Kids Carnival on 9th February 2024, during the school hours. Kids presented stories and rhymes, simple concepts of addition and subtraction, transport, growing plants, Seasons and world around us with great enthusiasm. Parents and visitors were impressed to watch the kids speak with clarity and confidence. The school endeavours to create many such opportunities to develop the requisite skills among the kids and prepare them for the global world.

Little Chef Activity

kindergarten kids enjoy Lil chef's activity. They donned their chef caps their culinary skills in flameless cooking. This activity is carried out to boost their sense of raw ingredients and promote life skills. Kids prepared sweet corn chat by adding coriander leaves, chopped onions seasoned with lil salt and pepper. Kids had it and had lot of fun with their friends

Garland Preparation

Our sanskritians has been diligently working on creating vibrant and festive garlands. Utilizing a variety of materials, including paper flowers and straws, we aim to create visually stunning decorations that will enhance the aesthetic skills of every child. Our goal is to create a welcoming and festive atmosphere among the students.

My Favourite Cartoon Character

Kids' world is full of imagination and fantasy. They delve into the world of cartoons to find an expression to their imagination. Sanskriti Kids organized an activity on 'My Favourite Cartoon Character' to encourage kids to dress up as their favourite cartoon and speak a few lines about the character and why they like it. It was a feast to the eyes to watch the little kids dress up and carry themselves as their favourite character.

Science Exploration

Enabling the kids to comprehend the simple concepts of Science through activity method, simple science experiments were conducted in the class and students enjoyed the activity and were able to explain the process in their simple language.

GRADUATION DAY!

Preschool graduation is the celebration of a preschoolers achievement in completing their preschool education. It is the celebration of the first academic milestone, as the child prepares to embark on the educational journey forwards. Sowing the seeds of inquisitively, creativity and love for learning accompanied with right values, the mother teachers handed over the PP2 kids to the grade 1 class teachers. The PP2 kids presented a few cultural performances, which emotionally charged the parents. It was overwhelming to see the kids thank their parents for their love and support. Very soon these little kids will strengthen their wings and prepare themselves for the flight of success. Sanskriti team wishes them Good luck for their future.

Happy Graduation

HOLI Celebrations

The festival of colours was celebrated with great enthusiasm. Children immersed themselves in the colours of joy and revelry as they applied the organic colours on their friends and teachers, and danced to the tunes of Holi songs. Extending the spirit of festivity, Parents were also made to join the Holi celebrations.

Orange Colour Day Celebrations

At Sanskriti Kids, we explained kids about the significance of the color orange. Students participated in a range of creative activities such as painting orange-themed artwork. Overall, the Orange Colour Day celebration was joyful and bright.
