## **PARENT ORIENTATION PROGRAMME**

Empowerment is about supporting students in leading and in ensuring that they learn as they lead. Here at Sanskriti Kids we aim to develop knowledgeable and caring young people who help to create a better and more peaceful world through intercultural understanding, compassion and respect. It has been wonderful to welcome all our children back to school after the summer break. The kids are carrying the radiance of their charming smiles which will enliven the school & provide strength to our endeavours.

Wishing our kids a Happy & Joyous come back!!!

Team Sanskriti Kids

The Orientation programme provides students and their families the opportunity to build a connection with the school. This year the parent orientation was held on June 18<sup>th</sup>, 2022. The best school in Hyderabad city buzzed with excitement as a large number of students and anxious parents joined the orientation session scheduled in the school premises. The programme helped them to understand how best we can work together to help each child achieve the motto of Sanskriti Kids.

From assembly time to the dispersal time, children are exposed to various learning environments, to develop their observation, analysis and application skills.

# EVENTS AND ACTIVITIES

*"The heart of a father is the masterpiece of nature"*

To mark the importance of fathers in our lives, the students of grades, Nursery celebrated **Father's Day** on June 18th, 2022. The students were asked to make handmade cards for their fathers. With great enthusiasm and zeal our students celebrated this day by creating beautiful cards for their fathers. The activity was a great success and the students enjoyed a lot. A photo booth with props was also set up for fathers and children to click photos, as the pictures are a way to freeze those special memories.

Yoga is an invaluable gift from our ancient tradition. A holistic approach that is valuable to our health and our well-being. Sankriti Kids celebrated **International Day of Yoga** on 21st June, 2022 by practicing and creating awareness about yoga and its benefits. A special assembly was organized to commemorate the occasion. The programme comprised of a yogic prayer in Sanskrit, followed by speech about the origin of yoga, its significance and the origin of the celebration. Subsequently, the various benefits of yoga for school children were enumerated along with demonstrations by the student of grade I, II, III, IV, V of the various asanas which are beneficial for students to overcome stress, stiffness, anxiety, improve concentration and combat obesity. The programme concluded with pranayama being performed by all the students.

# BLUE COLOUR DAY CELEBRATIONS

Colours play an exceptionally prominent role in our lives. They influence our thinking, inspire our decision-making and impact our moods. From causing changes to changing reactions, colours are more powerful than we think. Celebrating the colour of trust and loyalty, "BLUE", children designed various blue things that they see in nature and enjoyed the splashes of royalty...

*Little Hearts of Nursery learn the Fine and Gross motor skills by joyously participating in various activities, lending strength and agility to their fore limbs*

## Where There is a Will, There is a Way

Once upon a time there was a crow. He was very thirsty. He looked for water here and there, but he couldn't find water anywhere. He saw a pot with very little water. He got an idea. He put some pebbles in the pot. The water came up. The crow drank the water and quenched his thirst. He flew away happily.
